## **HEALTH, SAFETY AND ENVIRONMENT**

**BRISWIL ENERGY DEVELOPMENT LTD** is committed to the health, safety and security of persons directly or indirectly involved in the execution of all her jobs; and to the adequate protection and preservation of the environment where we work.

The top level priority given to safety programs viz: Health of persons and their safety; of machines; security of persons; materials, equipment and indeed the preservation of the environment, places safety on an equal pedestal with productivity. Therefore management is fully involved in the evolvement and monitoring of Community Health, Safety, Environment and Security Programs.

However, in spite of the fact that management is charged with safety policy formulation and the enforcement of safety related programs, the responsibility is not theirs alone. Thus, the Company would train all staff with aim to make every staff a prototype Safety Officer in character. This will enable all Staff to appreciate more, our CASHES policies. The effect would be the execution of functions in a manner that would minimize risk to personnel, materials and damage to the environment. To ensure strict adherence to the CASHES Policy, a designated safety adviser shall be responsible for its implementation.

**BRISWIL** shall regularly review her CASHES policy to reflect development in safety operations globally.

**ANTHONY M. IDOGHOR**  
Director

## **COMMUNITY AFFAIRS, SAFETY, HEALTH, ENVIRONMENT AND SECURITY (CASHES) POLICY**

### **COMMUNITY AFFAIRS POLICY:**

**BRISWIL** is committed to the safety and security of persons directly or indirectly involved in the execution of all her projects. This would include the protection and preservation of the environment.

It is the policy of the Company to maintain good working relationship with host communities. We shall constantly review our relationship to ensure that our projects are not interrupted, but delivered hitch free.

The Company shall also ensure the building and sustenance of a sound relationship with our Clients and Communities and shall exhaust all known avenues for peaceful resolution of conflicts should any disagreement arise.

SGD

**ANTHONY M. IDOGHOR**  
Director

## **ENVIRONMENTAL PROTECTION POLICY**

**BRISWIL** shall plan and execute her operations in a manner that would minimize adverse effects or impact on the environment. Our goal would at all times be the protection and preservation of our dear environment.

In executing our works, all wastes shall be properly handled and disposed off in an environmentally friendly way while adhering to relevant environmental laws of our host Country. Controls and measures put in place to ensure a cleaner environment by any lawful authority shall be observed strictly.

SGD

**ANTHONY M. IDOGHOR**  
Director

## SECURITY POLICY:

An essential aspect of our operations is that of the security of personnel. This could be our own or Client's personnel or even third parties.

To ensure effectiveness, the Company shall ensure that all personnel within her sphere of operation are adequately secured. The company shall in appropriate time, engage the services of trained security personnel. Armed personnel like the Police, Navy or Army shall only be called upon to help control situation that are tending towards violence, riot or other such serious conditions.

SGD  
**ANTHONY M. IDOGHOR**  
Director

## **OCCUPATIONAL HEALTH POLICY:**

All Our staff shall be certified medically fit for their respective tasks while in our employment.

We shall maintain appropriate retainerships with viable hospitals to handle cases of occupational health diseases or other impairment caused by our operations.

Only certified and competent first aid personnel and nurses would man the first aid box to administer first aid drugs in any of our operations arena. All medical records and drug administration or injuries, shall be kept at our Office and at the operations Office. Adherence to this policy shall be compulsory.

**ANTHONY M. IDOGHOR**  
Director

## **PERSONAL PROTECT EQUIPMENT (PPE) POLICY:**

**BRISWIL** is committed to ensuring that her staff are appropriately provided with the requisite PPE for each and every task. The *maxim* shall always be: **NO PPE NO WORK**. Beyond provision of the PPEs, the Company shall device means and constantly review options aimed at ensuring that this policy is carried out strictly.

The leadership of the Company shall often conduct condition of PPEs audit to ascertain their state with a view to replacing same. Management shall resist and punish deliberate destruction of provided PPEs.

This apart, Site Safety Officers and Supervisors shall not only monitor compliance with this policy, but would ensure that our employees are adequately briefed daily, through appropriate Tool Box Meetings on the importance and centrality of this policy to our operations.

It is thus a standing agreement between the Company's Management and her staff that all provided PPEs would not only be cared for, but would be worn properly paying attention to specific job needs.

SGD  
**ANTHONY M. IDOGHOR**  
Director

#### **NIGHT DRIVING POLICY:**

**BRISWIL** shall not allow night driving or any form of night journeys or operations. However, there are exceptions to this rule. One of such is where an emergency occurs. Another exception would be, where our Clients require such with appropriate documentation and where proper journey management procedures have been followed and approved by top management.

Site Safety Officers must check to see that Vehicles and Trucks are properly parked with their keys submitted by 6.00 PM daily except in the circumstances outlined above.
